

In regards to the radio station K-love, it is so important to keep this station on the air! Without K-love there would be a whole genre of music that would not be heard in this area, and contrary to so many other station, this station's music is positive and uplifting. The very fact that this station is commercial free and has to raise its own support shows that people are willing to make sacrifices in order to have this radio station. Please don't take away such a good thing!
